

Case Study Principle Cleaning Services

Paper Round
BPR Group

Who are Principle Cleaning Services?

Principle Cleaning Services are committed to offering a high quality, sustainable and professional cleaning service to both large and medium sized organisations.

Their challenge

They needed a waste management company who could:

- Provide consistently high quality services to over 70 sites in London, in line with the company's guarantee of service excellence
- Provide bespoke services for their range of clients
- Provide a service which is easy for the tenants to use

Our solution

- A dedicated account manager means that excellent service levels are maintained and closely monitored
- We ensure that their clients get the most out of the service, offering a wide range of recycling services including IT recycling, shredding and furniture
- We provide a colour coded scheme with specially designed posters and guides to make the scheme easy to use

The Results

Carbon saved
4,305 tCO₂e

Waste savings
4,044 tonnes

14,820 trees saved

Recycling rate
67%

“ Paper Round have been our preferred supplier for waste management for several years and we have found their services to be reliable and innovative. They offer bespoke services which are convenient and easy to use and have helped increase recycling rates at many of our sites. I would not hesitate in recommending their services.
